LETTER OF INTENT

Programme: Erasmus+, Mobility. Call 2023.

Action: Placement for VET trainers.

This letter is to confirm that our company is willing to act in partnership with the Department for Education of the Government of Navarra under the Erasmus+ Programme.

We agree to collaborate with the promoter by hosting teachers and commit:

- To name a person responsible for the follow-up and evaluation.
- To issue a certificate jointly with the Department of Education indicating the nature and length of the placement.
- To hold tutorial sessions to supervise teachers' activities.
- To submit a report, jointly with the person representing the company, evaluating the results of the placement.
- To work with the promoter to find solutions for possible conflicts or problems.

This agreement does not imply any type of contractual relationship between the teacher and the company which receives them.

The promoter certifies that the teacher holds an insurance policy covering third party liability and any expenses in connection with accidents occurring during the entire length of the work placements.
